

COUNTRY DAY UPDATES

Home Baking Stall – Trays will come home with your children tomorrow. Please fill tray with baking we can sell on the day or if you would prefer you can return the tray with a donation.

Roster – We still have many spaces to fill to help out on the day. You will receive an updated roster with this newsletter. Please see if there is a slot your family may be able to fill. In particular we would like a few extra traffic controllers this year. With election traffic we may need some extra hands on deck.

Dad Cakes – This is the opportunity for Dads to shine in the kitchen. Show off their creativity and bring along epic cake for us to auction off on the day. Always a highlight!

Share on Social – There will be posts on both the Puni School Facebook page and the Country Day event page. We would love your help in sharing these around your community pages. Get the word out far and wide! Social media and word of mouth is our best advertising for our schools Country Day!

White Elephant Stall – We appreciate your donations to our stall. If possible can we please have these donations dropped off to the hall by Thursday to help with sorting!

Timing of the Day – We plan to begin animal judging as close to 9am as possible and our prizegiving/close of day will be between 12:30 and 1pm.
